

Extended Care Program

1. Extended care is available only to Kindergarten – sixth grade students of Victory Christian Schools.
2. Students must be registered before using extended care. Registration should have been completed during your school registration process on TADs. If you did not complete the process when registering and are not able to go in to your account and register, Please pick up a packet from the school office.
3. All students in the before school care need to be signed in by a responsible adult.
4. Each day after school will begin with a snack time. **It is very important that you send a hearty snack for your child. Due to dietary restrictions and personal preferences, we do not provide snacks for the students.**
5. All students in the after school care need to be signed out by a responsible adult. Your child will only be released to the parent/guardian or someone designated by a parent/guardian in writing.
6. If you fail to sign out your child, you will be charged for the full time extended care is offered.
7. Any child left after 6:00 PM will be charged \$1.00 per minute with this money designated to the staff person who had to stay late. Continual late pick-ups may result in your child being ineligible for extended care.
8. If fees are not paid in a timely manner, your child may not be eligible for extended care.
9. All students are required to follow the regulations of Victory Christian Schools and any additional rules of extended care. Disruptive or disrespectful behavior toward other students or staff is a reason for dismissal.
