

July 12, 2018

Dear VCS Parents of Athletes:

Victory Christian Schools and the California Interscholastic Federation (CIF) require that every athlete be checked and cleared to play by a physician once per school year. This is in your child's best interest and for everyone's peace of mind. The Athletic Physical Participation Consent form attached must be filled out, signed by a physician, and returned to the school **before any student may even try out for a team**. Those players trying out for High School or Junior High sports for the coming year must have this form completed and returned to the High School Office. **Failure to do so could cost your son or daughter a spot on a team, as positions will not be held.** Some forms from last school year are still current, but it is easier to complete a new form during the open-ended summer months than to wait and take your child out of class to accomplish this during the school year. The forms that are current now will expire sometime during the year and will need to be updated. If you have one on file, you may call the Office during the summer to find out when your Physical Consent form will expire.

Sports fees for the coming year will remain the same as last year. The Junior High sports fee is \$100 per player per sport. The High School sports fee is \$110 per player per sport. These fees are payable after teams are selected, but must be paid **before** the first scheduled game.

Start dates for fall sports:

Varsity/JV Volleyball	Monday, July 30	Times TBA	Tryouts
JH Volleyball	August – after start of school	TBA	Tryouts
Cross Country	Monday, July 30	Times TBA	Tryouts
Basketball	Monday, October 29	TBA	
Varsity Boys Soccer	Monday, July 30	TBA	

Please keep in mind that as a parent of a student participating in VCS sports, you will be asked to work during the course of the basketball season (December-February). Although your son/daughter may not play basketball, the revenue generated by the Gym gate and the Snack Shack help fund **ALL** VCS sports. Since all sports benefit from that income, **ALL** parents of athletes are **required** to help. You will be notified as to what shifts are available and can choose what shifts fit your schedule best. Again, **THIS IS REQUIRED.** These hours can also be counted toward your family service hours for the year. The work is easy, but necessary for the existence of Victory athletics. The athletic program is **not** funded by the general school fund. Therefore, Gym Gate/Snack Shack receipts, sports fees, and generous donations are critical in maintaining a quality, competitive program. Please fill out the attached form and return to the HS Office as soon as possible.

Thank you for your cooperation and attention to completing all paperwork in a timely manner. We're looking forward to an exciting year in VCS athletics.

In His service,

Blake Owen
Athletic Director
