

April 20, 2010

Dear Parents:

Over these past years, our best advertising for prospective families has been current VCS families. VCS families provide referrals to the school based on their positive experience with the school as a loving and safe environment where their children can grow in their faith as well as obtain an excellent education.

With this in mind and to enhance our efforts to grow our enrollment for the 2010-11 school year, we would like to announce some changes to our Fill-A-Seat program. The current program provides a \$500 tuition incentive reduction to the referring family. The program stipulates that the new referred family must remain at the school for 3 months. The program will be modified for the 2010-11 school year as follows:

- The tuition incentive reduction will be increased to \$750 for each family referred. The \$750 tuition incentive reduction is per family referred regardless of the number of students enrolled from the family.
- The referral must be for a new family not previously enrolled at VCS. Referred families must be accepted and remain enrolled at VCS for at least 6 months in order for the tuition incentive reduction to be applied. The incentive will be applied to the tuition account once the 6 month limit has been reached for the new family.
- There will be no limit as to the number of families that can be referred by a VCS family.
- The current VCS family must be listed on the new student application as the referral family.

We are pleased to offer current VCS families the Fill-A-Seat program and hope you will join us in increasing our enrollment for the next school year as you continue to refer families to the school. Thank you for your continued support of VCS and our ministry.

In His Service,

John Huffman  
Director of Operations/Principal
